28243 MUDD

Mudd is a brown pit bull. He is a six year old neutered male and is very sweet. Mudd came into the shelter with Rocky and would love to have a forever home with his friend. Since Rocky is "Free to a Great Home", there would only be one adoption fee if you can adopt them together.

together!

28243 ROCKY

Rocky is a Gordon Setter/Labrador Retriever mix. He is nine years old and is a very lovable boy. Rocky's buddy is Mudd, who he lived with him before he came to the shelter. Because Rocky is older he qualifies for our "Free to a Great Home" program. Rocky would love to stay with his friend Mudd.

27895 SKIDDY

Skiddy is a brown tabby DSH (Domestic Short Hair). She is a spayed female young adult. Skiddy, if you have not guessed by her name, is very shy and would do best in a quiet household as an only cat. She could be the perfect companion for you, stop by and meet her today!

28154 SAKARA

Sakara is a calico DSH (Domestic Short Hair). She is a spayed female juvenile. Sakara is very playful and has a sweet disposition. She loves to play with a laser pointer and her toy balls. Come in and meet this sweet girl; she may be just the pet for you!

28127 ELVIRA

Elvira is a grey and brown rabbit. She is a young adult spayed female. Elvira is a very nice girl, but needs some work with being handled. Rabbits need to have daily exercise outside of their habitat and do best when they have regular interaction time with the caretakers. If you are interested in a rabbit, stop by the HSBC today!

27971 JULIAN

Julian is a black and white hamster. He is a young adult male. Julian would make a perfect pet for a small home. While hamsters do need a nice space to live in and special food, they are fairly easy to care for and make good first pets. Stop by the HSBC today and our technicians can fill you in on the care of these interesting critters.
